Feedback from parents and carers those who took the coach back to PTL after the pantomime:

Feedback from children:

Asked what future activities they would like to go on in the future:

- 4 said gardening
- 5 said health eating activities
- 5 said arts and crafts
- 10 said pantomime and theatre
- 11 a farm visit

As a result of this feedback from users, the Toy Library ran a healthy cooking and eating pizza making session in the February half term, a trip to the Hounslow urban farm, a gardening session at the Lodge in the Ebury Estate and has continued its regular arts and crafts sessions at the library.
